

CIDRI-Africa Public Engagement Seed Awards

What is CIDRI-Africa all about?

Combatting infection, especially HIV and TB,
through clinical and laboratory research

Our PE goals

- The promotion of the inclusion of Public Engagement activities in our investigators' grant proposals;
- The development of Public Engagement capacity; and
- The funding and support of Public Engagement seed projects to encourage our researchers to initiate public engagement activities.

Our PE Seed Awards

Process

- Internal applications invited
- Paper-based application forms
- Assessment by internal committee
- Six applications
- Five awards
