

**“Early Phase Project
Management
–
is it really that
scary?”**

Brenda Wright

INTRODUCTION

- Are You looking for a nine to five job?
- Do you have a lot of family responsibility without any support or back-up?
- Will you be unable to start work very early in the morning and work until very late?
- Do you find it difficult to adapt to sudden changes in your planning, workflow, staff etc?

Soufflé vs Early Phase Trials

- Recipe vs Protocol
- Master Chef vs Principal Investigator
- Bakers vs Coordinator and rest of study team
- Ingredients vs Participants & Procedures
- Kitchen equipment vs Trial equipment

Planning

- Where do I start?
- When do I start?
- How?

Recruitment - First in Human Trial

Conclusion

“If you fail to plan you plan to fail”
