

UK-PHRST Research Projects

● Completed ● Active

Turkey
 · Diagnostics for CCHF

Nigeria
 · PPE Equipment in Nigeria
 · Lassa Clinical Study
 · Lassa Negative Nigeria

United Kingdom/Global
 · MOOC's and Outbreak Response

Republic of Guinea
 · EBOV Guinea Study

Sierra Leone
 · Sierra Leonean responders to the Ebola Virus epidemic
 · Gastrointestinal pathogens in West Africa
 · LOFA
 · Health Seeking Behaviour

Across African Union
 · Public Mental Health Capacity in Africa

Democratic Republic of Congo (DRC)
 · Psychosocial aspects of Ebola

Uganda
 · VHF Preparedness in Uganda

Madagascar
 · Pneumonic plague treatment centres during the 2017 Madagascar outbreak: a prospective cohort study

Desk Based Research
 · RST Outbreak Support: Social Research
 · RST Social Science Preparedness
 · Data collection, management and analysis within outbreak response; a landscape analysis and evaluation

Bangladesh
 · Cox's Bazar, Covid-19 Rapid Research Appraisal

Cambodia
 · Rapid identification and characterisation of avian influenza viruses by direct Nanopore sequencing

Philippines
 · Pathogen discovery in non-dengue haemorrhagic patients in the Philippines

Malawi
 · Effect of acute illness on contact patterns, Malawi

Sudan
 · Study of the Aetiology of Severe Undifferentiated Febrile Illness Outbreaks in Sudan

· Aetiology and clinical characterisation of severe undifferentiated febrile illness outbreaks in Sudan

DRC and South Sudan
 · WASH Evaluations in Emergency Settings

Desk Based research team, including pilots in Singapore, Canada and UK
 · Rapid Research Needs Appraisal Protocol
