How should we balance addressing COVID-19 with other priority health needs?

**Time:** 19 July 2021 1pm-2pm London time

**To register:**
https://zoom.us/webinar/register/3516257423554/WN_kQUZo2dYQdKW3KCRc46Rg

**Chair:** Dr. Adnan Hyder, Senior Associate Dean for Research; Professor, Department of Global Health, Milken Institute School of Public Health, The George Washington University, Washington DC, USA

**Panel:** Prof. Debora Diniz, Faculty of Law, University of Brasilia, Brazil
Dr. Caesar Atuire, Senior Lecturer, Dept. of Philosophy and Classics, University of Ghana, Accra, Ghana
Dr. Bridget Pratt, Senior Lecturer in Healthcare Ethics, Queensland Bioethics Centre, Australian Catholic University, Brisbane, Australia

The following questions will form the basis of the seminar’s panel discussion. Seminar attendees are invited to submit questions in advance of the seminar when they register or during the live discussion.

- What are other priority health needs and how has the pandemic impacted these?
- How should we strike the balance between addressing COVID-19 and other health priorities, both (a) in public health/health care and (b) in research?
