

Challenges within leadership and how to go about it

The best leader you have
known and why?

Dr. Steve Wandiga

Kenya Medical Research Institute

Leadership Challenges

Addressing Leadership Challenges

Action	Direction
Model the way	Clarify values by finding your voice and affirming shared values Set the example by aligning actions with shared values
Inspire a shared vision	Envision the future by imagining exciting and new possibilities Enlist others in a common vision by appealing to shared aspirations
Challenge the process	Search for opportunities by seizing the initiative and by looking outward to innovative ways to improve Experiment and take risks by constantly generating small wins and learning from the experiences
Enable others to act	Foster collaboration by building trust and facilitating working networks Strengthen others by building self determination and developing competence
Encourage the heart	Recognize contributions by showing appreciation for individual/group excellence Celebrate the values and victories by creating a spirit of community

BEST leader I have known and why
