

# FROM RESEARCH TO IMPACT

The Global Health Network and Health Data Research (HDR) Global, in collaboration with the Grand Challenges Community, have prepared a webinar to demonstrate and showcase how research can be shared, scaled and translated beyond publication and the funding cycle.

## Part 1: The Global Health Network and Resources

Thursday 3 November 2022 | 15:00 GMT (12:00 BRT, 18:00 EAT, 20:30 IST)

## Part 2: How to Integrate Communication of the Research Process in Project Plans?

Tuesday 22 November 2022 | TBC
