Friday 01 December 2023	Departure of participants	

Session	Time	What will be done ?
Authorship	30mn	Bernard will give a short presentation on the rules of authorship
Presentation of the article's draft /discussion	45mn	Each team/individual with a proposal will give a 5-minute presentation of their synopsis, followed by discussions with all the other participants.
Work Group	3h45mn per group	Working groups will be set up around the various proposals (not all participants have a proposal) and group work will be carried out to define the ideas for the tables and figures of the potential articles.
Work presentation/Discussion	45mn per group	The results of the work group (ideas for tables and figures) will be presented to all participants for comment and discussion.
Statistical analysis	1h30mn per group	Tansy will work with each group to help fill in the tables and figures. Once a group has finished working on the stats, it continues to work on finalising the tables and figures.
Presentation of tables and figures	30mn	Each group will present its finalised tables and figures
Closing and next steps	30mn	G�rard and Anani will give a summary of the workshop and outline the following stages of the workshop
