NOVEMBER 25 & 26

In person Workshop 25 & 26 november, 2024

Dates: November 25-26, 2024

Location:
Public Library of the State of Jalisco "Juan José Arreola"
Periférico Norte Manuel Gómez Morin no. 1695, Colonia Belenes
C.P. 45100 Zapopan, Jalisco, Mexico

Netzahualpilli Delgado Figueroa

PRISM TGHN LAC Coordinator

Attendees:

34 participants over the twoday workshop.

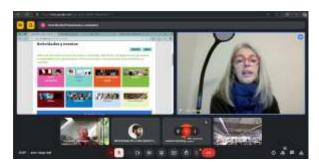

Worked with spanish translated materials & printed versions.

We worked both in person and remotely

We continue analyzing the recorded discussions from the participants, the written notes, and the dynamics of placing post-it notes on the walls by teams to identify the main barriers and facilitators for generating good clinical trials.

Social media reactions by attendees

Both websites Global Health Trials & LAC Hub With updates of GCTC PRISM
