The Online Network

The network is intended to operate around **4 key functions** which serve as the basis for **ongoing experimentation and learning**

1.

CONNECTION

The network will aim to connect Changemakers digitally but also expand connections to other stakeholders and communities of practice in the ecosystem.

KNOWLEDGE SEEKING & SHARING

The network will serve as a point of reference for Changemakers to easily look for and find CxH information related to thematic or topic areas, digital and/or regional initiatives, events and opportunities.

2.

COLLABORATION

The network will facilitate and provide virtual tools and spaces for Changemakers to easily collaborate on joint initiatives.

4.

KNOWLEDGE GENERATION

Changemakers will have the opportunity to write thought leadership pieces or showcase their work and initiatives more broadly.
