This list contains names, addresses, and other information gathered from inspections of clinical investigators (with last names beginning with Q-S) who have conducted studies with investigational new drugs or investigational devices reviewed by the Center for Biologics Evaluation and Research (CBER). These inspections were conducted as part of the Food and Drug Administration's Bioresearch Monitoring Program. This list contains information on inspections that were closed after 1989.

Classifications: All FDA inspections are classified using the same categories:

NAI = No Action Indicated

VAI = Voluntary Action Indicated

OAI = Official Action Indicated

Updated through 9/30/2017
